

NORTHERN BC & EAST KOOTENAY

# Recruiting New Directors

**Friends of Children Northern BC and East Kootenay (FoC) is a charitable organization dedicated to providing support and resources to children and families in need.**

The organization's mission is to foster the well-being and development of children from birth through age 18 who must travel due to illness or injury.

Serving on the Board of Directors for FoC is a fulfilling role that offers opportunities to make a significant impact on the lives of families with children who need medical care.

As a volunteer Director for Friends of Children you will harness your leadership skills while making a positive impact for families in your community. Joining a board is a great way to network, make new friends and to give back to others in need. Right now, with the costs of travel rising, the need is as great as ever.

Are you new to the community, a university or post-graduate looking for board experience? Do you have experience on a board, running a business or with child development and health services? This might be just the fit for you!

If you are just curious and interested in donating some time at events or advocacy, please drop us a line as it takes many to make a positive impact that lasts.
